

HORSEBACK/PACKING TRIPS

Saddle up and experience the spirit of the old west. Connect with the land and get a taste of what it was like hundreds of years ago when the pioneer spirit dominated the land. Head for the Sierra on gentle mountain-trained horses, enjoy the serene open air and take in the natural beauty and breathtaking wonders around every bend. Horseback and pack trips are an excellent way to experience the rugged, scenic backcountry of the Sierra and the Alabama Hills.

Several options are available.

For more information on pack stations in the area and the services they offer call the Lone Pine Chamber toll free at 877-253-8981 or visit the Chamber web site at www.lone-pine.com.

"Our family took a day ride up into Horseshoe Meadow. It was so much fun and our daughter just loved it she talked about it for weeks! The horses were gentle and well-groomed, our guide was knowledgeable and professional, making this a trip our family will never forget!"
