

CAMPING

Set up camp at any one of the campgrounds within the Lone Pine area. Take your pick from Tuttle Creek, Portagee Joe's or Lone Pine Campground. Other popular locations are Diaz Lake, Horseshoe Meadow and Mt. Whitney. Lone Pine campgrounds have sites that can be reserved. Call the Chamber Office for details. (760) 876-4444

THIS IS BEAR COUNTRY

Since bears and rodents are a potential problem in any campground, food items should be properly stored. Any item with an odor, including soap, lotions, toothpaste, etc. should be kept out of sight, preferably in a bear box.

Be advised that ground squirrels may carry disease. They should not be handled or fed. Remember when you feed any wild animal it will only lead to their eventual demise.
